

"Iris" by the Goo Goo Dolls

And I'd give up forever to touch you,
'Cause I know that you feel me somehow.
You're the closest to heaven that I'll ever be,
And I don't want to go home right now.

And all I can taste is this moment,
And all I can breathe is your life,
And sooner or later it's over,
I just don't want to miss you tonight.

And I don't want the world to see me,
Cause I don't think that they'd understand.
When everything's made to be broken,
I just want you to know who I am.

And you can't fight the tears that ain't coming,
Or the moment of the truth in your lies.
When everything feels like the movies,
Yeah you bleed just to know you're alive.

And I don't want the world to see me,
'Cause I don't think that they'd understand.
When everything's made to be broken,
I just want you to know who I am.

And I don't want the world to see me,
'Cause I don't think that they'd understand.
When everything's made to be broken,
I just want you to know who I am.

And I don't want the world to see me,
Cause I don't think that they'd understand.
When everything's made to be broken,
I just want you to know who I am.
I just want you to know who I am.
I just want you to know who I am.
I just want you to know who I am.

"When You're Gone" by Avril Lavigne

I always needed time on my own
I never thought I'd need you there when I cry
And the days feel like years when I'm alone
And the bed where you lie is made up on your side

When you walk away I count the steps that you take
Do you see how much I need you right now

When you're gone
The pieces of my heart are missing you
When you're gone
The face I came to know is missing too
When you're gone
The words I need to hear to always get me through the day and make it ok
I miss you

I've never felt this way before
Everything that I do reminds me of you
And the clothes you left, they lie on the floor
And they smell just like you, I love the things that you do

When you walk away I count the steps that you take
Do you see how much I need you right now

When you're gone
The pieces of my heart are missing you
When you're gone
The face I came to know is missing too
When you're gone
The words I need to hear to always get me through the day and make it ok
I miss you

We were made for each other
Out here forever
I know we were, yeah
All I ever wanted was for you to know
Everything I'd do, I'd give my heart and soul
I can hardly breathe I need to feel you here with me, yeah

When you're gone
The pieces of my heart are missing you
When you're gone
The face I came to know is missing too
When you're gone
The words I need to hear to always get me through the day and make it ok
I miss you

"I'll Stand By You" by the Pretenders

Oh, why you look so sad?
Tears are in your eyes
Come on and come to me now
Don't be ashamed to cry
Let me see you through
cause I've seen the dark side too
When the night falls on you
You don't know what to do
Nothing you confess
Could make me love you less

I'll stand by you
I'll stand by you
Wont let nobody hurt you
I'll stand by you

So if you're mad, get mad
Don't hold it all inside
Come on and talk to me now
Hey, what you got to hide?
I get angry too
Well I'm a lot like you
When you're standing at the crossroads
And don't know which path to choose
Let me come along
cause even if you're wrong

I'll stand by you
I'll stand by you
Won't let nobody hurt you
I'll stand by you
Take me in, into your darkest hour
And I'll never desert you
I'll stand by you

And when...
When the night falls on you, baby
You're feeling all alone
You won't be on your own

I'll stand by you
I'll stand by you
Won't let nobody hurt you

I'll stand by you
Take me in, into your darkest hour
And I'll never desert you
I'll stand by you
I'll stand by you

Wont let nobody hurt you
I'll stand by you
Won't let nobody hurt you
I'll stand by you

"My Immortal" by Evanescence

I'm so tired of being here, suppressed by all my childish fears
And if you have to leave, I wish that you would just leave
Your presence still lingers here and it won't leave me alone

These wounds won't seem to heal, this pain is just too real
There's just too much that time cannot erase

When you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your fears
And I held your hand through all of these years
But you still have all of me

You used to captivate me by your resonating light
Now, I'm bound by the life you left behind
Your face it haunts my once pleasant dreams
Your voice it chased away all the sanity in me

These wounds won't seem to heal, this pain is just too real
There's just too much that time cannot erase

When you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your fears
And I held your hand through all of these years
But you still have all of me

I've tried so hard to tell myself that you're gone
But though you're still with me, I've been alone all along

When you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your fears
And I held your hand through all of these years
But you still have all of me, me, me

"Welcome to the Black Parade" by My Chemical Romance

When I was a young boy,
My father took me into the city
To see a marching band.

He said, "Son when you grow up,
would you be the savior of the broken,
the beaten and the damned?"
He said "Will you defeat them,
your demons, and all the non-believers,
the plans that they have made?"
"Because one day I'll leave you,
A phantom to lead you in the summer
To join The Black Parade."

When I was a young boy,
My father took me into the city
To see a marching band.
He said, "Son when you grow up,
would you be the savior of the broken,
the beaten and the damned?"

Sometimes I get the feeling she's watching over me.
And other times I feel like I should go.
And through it all, the rise and fall, the bodies in the streets.
And when you're gone we want you all to know.

We'll carry on,
We'll carry on
And though you're dead and gone believe me
Your memory will carry on
We'll carry on
And in my heart I can't contain it
The anthem won't explain it.

A world that sends you reeling from decimated dreams
Your misery and hate will kill us all.
So paint it black and take it back
Let's shout it loud and clear
Defiant to the end we hear the call

To carry on
We'll carry on
And though you're dead and gone believe me
Your memory will carry on
We'll carry on
And though you're broken and defeated
Your weary widow marches

On and on we carry through the fears
Ooh oh ohhhh
Disappointed faces of your peers
Ooh oh ohhhh
Take a look at me cause I could not care at all

Do or die, you'll never make me
Because the world will never take my heart
Go and try, you'll never break me
We want it all, we wanna play this part
I won't explain or say I'm sorry
I'm unashamed, I'm gonna show my scar
Give a cheer for all the broken
Listen here, because it's who we are
I'm just a man, I'm not a hero
Just a boy, who had to sing this song
I'm just a man, I'm not a hero
I! don't! care!

We'll carry on
We'll carry on
And though you're dead and gone believe me
Your memory will carry on
We'll carry on
And though you're broken and defeated
Your weary widow marches on

Do or die, you'll never make me
Because the world will never take my heart
Go and try, you'll never break me
We want it all, we wanna play this part (We'll carry on)

Do or die, you'll never make me (We'll carry on)
Because the world will never take my heart (We'll carry on)
Go and try, you'll never break me (We'll carry)
We want it all, we wanna play this part (We'll carry on)
